HOMEOWNER'S INSURANCE INFORMATION **Individual Liability Policies and Loss Assessment Coverage** **CIVIL CODE SECTION 5300(B)(9)**

It is very important that you explore your own risks with a knowledgeable insurance agent and purchase coverage to protect you from liability caused by an accident occurring in your own unit, the common area, and/or any exclusive use common area (such as patios, garages, carports), and to protect you from any liability or insurance gaps in coverage between the Association's coverage and your own. We also recommended that you inquire about Loss Assessment and Earthquake Loss Assessment Coverage. The cost of an endorsement for loss assessment is minimal and provides protection to individual unit owners from any extraordinary special assessments, such as excess liability over the Association's insurance proceeds or an extraordinary expense incurred by the Association, allocated to the owners through a special assessment (such as special assessments to pay or rebuilding costs which exceed insurance proceeds from an earthquake or fire loss)

The Association will notify you as soon as reasonably practical if any of the Association's policies are cancelled and not immediately replaced or if there is a significant change in the coverage (reduction or the deductible). If a policy is issued to replace a policy and there is no lapse in coverage, the Association will notify you in its next annual mailing to members.

The attached summary of the association's policies of insurance provides only certain information as required by *Section 5300 of the Civil Code*, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property, real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.

State law requires that community associations disclose to the individual homeowners the extent of liability coverage carried by the Association.
